Parents

Focus:

- 1) Provide recognition, support, and miscellaneous classroom supplies for our great teachers and staff.
- 2) Provide recognition for our graduating students and contribute to the numerous student clubs.
- 3) Provide a social, fun atmosphere for all of the parents. We will meet once a month, or as needed, to share ideas for how to properly appreciate our teachers, how to assist our students, and help with what makes the best “nonintrusive” fundraisers.
